

Fluid Path Products

**Safety. Repeatability. American Made.**

**Gauge Guards**

## Why FPP Gauge Guards?

Gauge Guards protect your critical instrumentation from process chemicals, and can substantially extend their lifespan. Our high performing polymer and elastomer compounds provide longer run times and less contamination than competing brands.

All of our Gauge Guards are manufactured in New Jersey and Texas.

### Sizes and Materials

Gauge guards are available in sizes 1/2"-3" and in materials such as EPDM, Platinum Cured Silicone, and Teflon.

### Our Materials Meet the Following Requirements:

- FDA Extraction Studies per 21CFR177.2600
- Testing according to USP Class VI, Chapter <87> and Chapter <88>
- ADI Free
- RoHS Directive 2011/65/EU and 2015/863

Fluid Path Products customizes! Our in-house tooling design can typically take your ideas from concept to finished product within two to three weeks at a cheaper cost than our competitors.

Size	Platinum Silicone	EPDM	FKM	PTFE
3/4"	42GG-PMSE-075	42GG-EZ-075	42GG-SFY-075	42GG-TN-075
1"	42GG-PMSE-100	42GG-EZ-100	42GG-SFY-100	42GG-TN-100
1 1/2"	40GG-PMSE-150	40GG-EZ-150	40GG-SFY-150	40GG-TN-150
2"	40GG-PMSE-200	40GG-EZ-200	40GG-SFY-200	40GG-TN-200
3"	40GG-PMSE-300	40GG-EZ-300	40GG-SFY-300	40GG-TN-300
